

California Certified Wastewater Testing Laboratories

The San José-Santa Clara Regional Wastewater Facility does not recommend or endorse laboratories. This list is provided as a courtesy and is not a complete listing. It is the responsibility of the person hiring these companies to verify their qualifications, certifications, and references.

For more information about the Environmental Laboratory Accreditation Program (ELAP), including a current list of certified labs, how labs are certified, and details on fields of testing, visit the California State Water Resources Control Board website at:
