

SAN JOSÉ RECREATION PRESCHOOL

Discover ♦ Learn ♦ Play

The San José Recreation Preschool program offers children, 3 to 5 year olds, and their families educational and recreational experiences that support their imaginative, physical, cognitive, social and emotional development. Children prepare for kindergarten success in a safe and welcoming environment.

KINDERPREP

This class prepares your child for kindergarten with age-appropriate activities, learning concepts, socialization skills, and fun. Your child will gain a basic understanding of shapes, colors, pre-phonics, literacy building (i.e. identifying letter sounds, writing the alphabet and simple words), number recognition, and counting up to 30. The goal is to have fun, participate, and learn. Children must be fully potty trained before the start of class. Requirements for parent participation will vary by center.

LITTLE LEARNERS

Children will be introduced to socialization, positive self-esteem, following directions, and simple learning concepts. Children will work on hand eye coordination and motor skills, while gaining independence through the use of circle time, music, songs, stories, play, arts and crafts. Food will be provided for cooking activities and may be provided for special events. Children must be fully potty trained before the start of class. Requirements for parent participation will vary by center.
