

Banner Example Schematic

Overall Size: 8 feet high x 2.5 feet wide, that includes 7 inch pockets at the top and bottom of the banner (all dimensions must be exact)

If you elect to sew banners online the top and bottom edge, add 1 extra inch to the overall banner height. Preferably have banners sewn as indicated in the diagram, noted by the dotted lines noted on the face of the banner. Banners not made to these specifications **WILL NOT** fit on the street pole equipment.
